The Omni Homestead Resort is currently seeking individuals interested in golf course maintenance internships for the 2016 season.

Founded in 1766, The Omni Homestead Resort is one of the most historic and iconic resorts in the United States. Golf at The Homestead dates back to 1892 and the resort is home to the nation's oldest first tee in continuous use. The Cascades Course was built in 1923 and is regarded as one of famed architect, William Flynn's, most notable works. The Cascades has hosted numerous USGA and VSGA championships. In 2014, a bunker and green surround renovation was completed utilizing Better Billy Bunkers.

Interns will work closely with the Superintendent and Assistant Superintendent to gain hands on experience with all aspects of golf course maintenance operations. Experience gained will include:

- Golf course set up for daily, weekend and championship play.
- Chemical and fertilizer application and calibration.
- Insight to an extensive preventative pest control program.
- Irrigation application to all playing surfaces.
- Irrigation system repair and maintenance.
- In season aerification and topdressing techniques.

Benefits include: Competitive salary, uniforms, discounted meals, discounted access to most resort amenities. Housing is available.

Requirements: Must be enrolled in a turf management program or related field.

To apply: Send resume along with cover letter explaining why you have chosen a career in golf course management to kevin.moore@omnihotels.com
