North Carolina Turfgrass Short Course

JANUARY 12-16, 2009

McKimmon Center • Raleigh, NC

For information, contact Dr. Rich Cooper at 919-515-7600, Rich_Cooper@ncsu.edu

OBJECTIVE

The North Carolina Turfgrass Short Course is designed to provide basic information to new professional turfgrass managers, and as a review and update for experienced turf managers.

FORMAT

Specific topics of instruction will include:

- Selecting the Proper Turfgrass for the Site:
 - Cool season grasses
 - Warm season grasses
 - Grass identification
- Turfgrass Growth and Physiology
- Seed and Vegetative Establishment
- Physical, Chemical and Biological Properties of Soils
- Nutrient Management
- Mowing Management
- Water Management, Irrigation and Drainage
- Turfgrass Renovation
- Turfgrass Disease, Insect, and Weed Management
- Pesticide Safety
- Pesticide Application Equipment and Calibration
- Environmental Concerns

Daily review quizzes will be given. Those who pass will be given a certificate of completion at the conclusion of the short course.

Check-in will begin Monday at 8:00 am. Class will begin at 9:00 am Monday and continue through to Friday noon. Lunch will be provided Monday through Thursday.

TUITION

\$495 per person

Make all checks payable to the Turfgrass Council of North Carolina.

Tuition includes all class materials including hand lens, study guide, work book, and four lunches.

HOTEL ACCOMMODATIONS

The official hotel for the program is The Brownstone Hotel, 1707 Hillsborough Street, Raleigh, NC 27605. 1-800-331-7919

www.brownstonehotel.com

INSTRUCTORS

Learn from the best: nationally known turfgrass scientists and educators who are on the faculty at NCSU.

PESTICIDE RECERTIFICATION CREDITS

The North Carolina Department of Agriculture offers pesticide recertification credits for attending the entire course.

PREVIOUS PARTICIPANTS COMMENTS

- A lot of good and practical knowledge.
- Best program I have attended.
- Liked the variety of information covered.
- It helped bring the big picture of turf management together.
- I enjoyed the expertise of the various professors and the dynamics they added to the course.
- I feel everyone in the industry should have to take this course.
